## **SCHOOL PROGRAM**

---

---

Our school program is second to none. We provide 100% fruit juice products that exceed the Colorado Department of Education Beverage Policy. Also, our products meet the FDA requirement for a serving of fruit. We provide the equipment at no charge. All you do is mix the product and add it to the machine.

We work with you on a marketing and pricing strategy that allows you to make a substantial profit.

### **What we provide:**

- 1) The Faby II (2 bowl) serving machine (3 gallons per bowl)
- 2) Serving cups, lids and straws
- 3) 2 Five gallon mixing jugs per machine
- 4) School customized table tents and posters to help market your product
- 5) Complete installation
- 6) Complete training
- 7) Maintenance and support

Our serving machine requires no special hook-ups for power, water or drainage.

### **What you provide:**

- 1) Counter space for the machine (24" width)
- 2) 110 volt 2amp power outlet
- 3) Mixing of products
- 4) Bi-weekly cleaning of bowls and fixtures (takes about 10 minutes)

Our blender has been in business for over twenty years and supplies product to companies such as Wal-Mart, Sam's, Costco, Subway, and On The Border. All products are blended in Dallas, TX in their state of the art facility that is HACCP certified by the FDA.

Please feel free to visit our website at [www.tropicalb.com](http://www.tropicalb.com) for details on our equipment and a complete list of flavors and products offered.
